Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

Applicant's representative has reviewed the determination of patent term adjustment issued on August 22, 2006, for the above-identified application and believes that it is incorrect. More specifically, the applicant filed a Request for Continued Examination on October 24, 2005, and, as a result, the applicant believes that the patent term adjustment for this application should be 0 days.

Respectfully submitted,

Date: November 1, 2006
